# JOIN VIA SUMMER SCHOOL

Spend your summer  
in Denmark

**#viasummerschool**  
Aarhus, Denmark

# Awesome course, awesome people, awesome city – one last word? Awesome!

*Student at VIA Summer School 2018*

**Spend your summer getting smarter and earning extra credit, while meeting people from all over the world.**

Each year, VIA University College offers a number of summer school programmes at our City Campus in Aarhus, Denmark. Join one of our courses and enjoy a summer filled with academic insights, social and cultural events in an international environment.

Catch a glimpse of previous summer schools on Instagram: **#viasummerschool**

## **We offer courses within the following academic areas**

- Social Sciences
- Health Sciences
- Business and Creative Industries
- Engineering and Construction

## **VIA Summer School includes**

- Company and field visits
- Social and cultural activities
- Tutor service

All courses are taught in English at Bachelor's level by experienced lecturers that are among the best in their field. You will spend your summer working together with students from different fields of study from all over the world, gaining new perspectives and input to your own studies – all while making new friends and experiencing a new culture in an up-and-coming European city.

We look forward to meeting you!
